**GREENLEAF BOOK OF THE MONTH: *3 DIMENSIONAL WEALTH***

**BY MONROE M. DIEFENDORF, JR., AND ROBERT STERLING MADDEN**

By today's standards, wealth is generally measured by one's financial status. In *3 Dimensional Wealth*, veteran financial advisors Monroe M. Diefendorf, Jr. and Robert Sterling Madden offer a radically sane perspective on wealth that reveals how tangible assets such as money, property, and possessions are only one aspect of wealth. The *3 Dimensional Wealth* premise is simple: replace preconceived notions of wealth with a more encompassing perspective that includes personal (who you are), financial (what you have), and social (how you make a difference) dimensions for a total measurement of your life. The authors reveal how to transition your life from a traditional one-dimensional approach concerning wealth to a 3 Dimensional life that has greater significance. This self-discovery journey will challenge you to strive for a more meaningful existence.

Monroe "Roey" M. Diefendorf, Jr., is the founder of 3 Dimensional Wealth International, a certified financial planner, a chartered life underwriter, a certified investment management analyst, and a contributing author to *Wealth: Enhancement & Preservation* and *21<sup>st</sup> Century Wealth*. Robert Sterling Madden, a certified financial planner, has been counseling and advising clients on their financial and business matters for over twenty years. Bob is a contributing author to *21<sup>st</sup> Century Wealth* and is often a featured speaker on wealth management solutions and strategies.
